**CHAIRMAN'S DECISION
STIE TOTALWIN
NUMBER : 011/K/STIE-TW/SK/IX/2022
ABOUT
NEW STUDENT ADMISSION GUIDELINES
STIE TOTALWIN**

CHAIRMAN OF SEKOLAH TINGGI ILMU EKONOMI TOTALWIN

- Considering : a. That for the smooth and orderly implementation of the admission of new student candidates within the Totalwin College of Economics, it is deemed necessary to establish a New Student Admission Guide.
- b. That in order to be used as a guide in the Admission of New Students in the Totalwin College of Economics as referred to in point a above, it needs to be stipulated through a Decree of the Chairman.
- Remembering : 1. Law No. 20/2003 on the National Education System;
2. Law Number 12 of 2012 concerning Higher Education;
3. Presidential Regulation of the Republic of Indonesia Number 8 of 212 concerning the Indonesian National Qualifications Framework;
4. Government Regulation Number 4 of 2014 concerning the Implementation of Higher Education and Management of Higher Education;
5. Minister of Education and Culture Regulation Number 3 of 2020 concerning National Higher Education Standards;
6. Statute of Totalwin College of Economics.

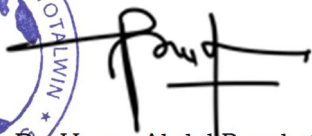

DECIDE

- Establish :
First : To enforce the Guidelines for Admission of New Students of the Totalwin College of Economics as attached to this decision letter as an integral part of its stipulation.
- Second : With the enactment of the New Student Admission Guidelines in the Totalwin College of Economics as mentioned above, other conflicting regulations are declared invalid.
- Third : This decision shall take effect from the date of its promulgation and if in the future there is any mistake in this decision, it shall be corrected accordingly.

Set in : Semarang
Date : 1 September 2022

Chairman,

Dr. Hasan Abdul Rozak, S.H., C.N., M.M
NIDN. 0610116402

CHAPTER I

INTRODUCTION

1.1. Background in General

One of the variables used to measure the readiness of higher education institutions in facing global competition in higher education is in attracting foreign students to study at related universities. To provide an initial overview of the position of Indonesian universities in this regard, it can be explained that throughout 2016, a total of 6,967 Study Permits have been issued by the Directorate of Higher Education Institutional Development (HEI). Study Permit is one of the main requirements for foreign students to obtain immigration documents in the form of Student Visa and Limited Stay Permit or ITAS issued by the Directorate General of Immigration, Ministry of Law and Human Rights.

1.2. Vision of STIE Totalwin

STIE Totalwin's vision is to become a superior and competitive university nationally and internationally by 2030.

1.3. Mission of STIE Totalwin

STIE TOTALWIN has a mission:

1. To organize good international governance in the management of higher education.
2. Organizing academic and vocational education in Management and Accounting that is nationally and internationally competitive and of superior quality.
3. Organizing research and community service activities that exceed national standards of higher education, are nationally and internationally competitive and of superior quality.
4. Creating graduates who have national and international competitiveness, have noble character, and have superior competence.
5. Creating a good academic climate that is able to support the realization of national and international visions.
6. Building facilities and infrastructure for higher education services that exceed national and international standards and support international competitiveness.
7. Establish and implement the strengthening of international cooperation with universities,

businesses and other institutions in the fields of education, research and publication, community service both at home and abroad.

Goals of STIE Totalwin:

1. Realizing good international governance in the management of higher education.
2. Realizing academic and vocational education in the field of Management and Accounting that is nationally and internationally competitive and of superior quality.
3. Producing research and community service that exceeds the national standards of higher education, is nationally and internationally competitive and of superior quality.
4. Producing graduates who have national and international competitiveness, have noble character, and have superior competence.
5. Fostering a good academic climate and atmosphere that is able to support the achievement of national and international visions.
6. Realizing the provision of facilities and infrastructure for higher education services that are complete, exceed national and international standards and support international competitiveness.
7. Realizing international cooperation in the fields of education, research and publication, community service both inside and outside the country that supports international competitiveness.

1.4. GENERAL PROVISIONS

1. STIE Totalwin is a university organized by the Mangunkarsa Foundation.
2. The Chairperson is the highest leader who carries out the management function of STIE Totalwin and is tasked with leading the management and implementation of education, research and community service.
3. STIE Totalwin leaders are the chairman and vice chairmen.
4. Study Program is a unit of education and learning activities that has a certain curriculum and learning methods in one type of academic education, professional education and / or vocational education. In the implementation of the study program, it is managed by the Head of the Study Program.
5. New student candidates are admission selection participants who have been declared accepted.
6. STIE Totalwin students are students who are registered and studying at STIE Totalwin.
7. Foreign Student is a person with citizenship other than Indonesia who has obtained a study permit from the Directorate General of Higher Education, Ministry of Research Technology and Higher Education of the Republic of Indonesia, or a person with

Indonesian citizenship who is a foreign graduate who becomes a student of STIE Totalwin through a special pathway for foreign student admission.

8. Partner universities are universities at home and abroad that have a memorandum of understanding and / or institutional agreement with Ubhara Jaya.
9. Double Degree/Joint Degree is the implementation of activities between universities (PT) between domestic and foreign universities through cooperation to carry out a study program simultaneously and mutually recognize graduates so that graduates get a double degree.

a. Legal Basis

- i. Law No. 20/2003 on the National Education System.
- ii. Law No. 12 of 2012 on Higher Education.
- iii. Government Regulation No. 4 of 2014 on the Implementation of Higher Education and Management of Higher Education.
- iv. Decree of the Minister of Education and Culture of the Republic of Indonesia Number: 074/D/0/1995 Dated September 8, 1995.
- v. Regulation of the Minister of National Education Number 25 of 2007 concerning Requirements and Procedures for Foreign Citizens to Become Students at Universities in Indonesia.
- vi. Decree of the Director General of Higher Education Number 60/DIKTI/Kep/2000 concerning Guidelines for the Implementation of Requirements and Procedures for Study Permits for Prospective Foreign Students who will Attend Education at Higher Education Institutions in Indonesia.
